

# New sodmy, Squall

kuchibiru ni fureta shunkan kara subete ga hajikete  
sora e maiagari furisosoida  
uruoi o mashite afureru kotoba ni  
ima wa mi o nurashite iyou yo  
The moment your lips touched me, everything exploded  
and soared up to the sky to rain down.  
My body is being drenched in  
overflowing words of increasing tenderness.  
ishidatami no ue o sassou to aruite  
boku ni kizuita nara te o futte kakeyoru tenshi  
You walk briskly over the pavement.  
If you notice me, you become an angel who waves at me.  
Ah...dare mo ga futari ni kugizuke de  
Ah, everyone stares at the two of us.  
kuchibiru ni fureta shunkan kara subete ga hajikete  
sora e maiagari furisosoida  
uruoi o mashite afureru kotoba ni  
ima wa mi o nurashite iyou yo  
The moment your lips touched me, everything exploded  
and soared up to the sky to rain down.  
My body is being drenched in  
overflowing words of increasing tenderness.  
Uh... Under sunshine  
Uh... In a squall  
Ah...dare mo ga futari ni kugizuke de  
Ah, everyone stares at the two of us.  
kuchibiru ni fureta shunkan kara subete ga hajikete  
hikari yori hayaku koi ni ochite  
"nee donna toki mo tsukamaete ite ne"  
boku no mimimoto de kikoeta  
The moment your lips touched me, everything exploded  
and I fell in love faster than the speed of light.  
I hear,  
"Hey, hold me tight no matter what."  
Uh... Under sunshine  
Uh... In a squall
