

# New Vaudeville Band, Winchester Cathedral

Winchester Cathedral  
You're bringing me down  
You stood and you watched as  
My baby left town

You could have done something  
But you didn't try  
You didn't do nothing  
You let her walk by

Now everyone knows just how much I needed that gal  
She wouldn't have gone far away  
If only you'd started ringing your bell

Winchester Cathedral  
You're bringing me down  
You stood and you watched as  
My baby left town
