

# New Young Pony Club, Jerk Me

I want what you've got for me,  
I want what you're giving out  
No romantic pedigree  
Suck me in and spit me out

Soccer punch me with your love  
I'm your mirror, I can be,  
Read me like an open book  
Tear my pages, set me free  
yeah yeah yeah yeah

Consume the night  
jerk me, jerk me up  
Consume the night  
jerk me, jerk me

I want what you've got for me,  
I want what you're giving out,  
No romantic pedigree  
(Consume me now)  
Suck me in and spit me out

Paralyse me with your song  
I can randomly repeat  
This I learns been done too long  
Mark your sordid X on me  
yeah yeah yeah yeah

Consume the night  
jerk me, jerk me up  
Consume the night  
jerk me, jerk me

Soccer punch me with your love  
I'm your mirror, I can be,  
Read me like an open book  
Tear my pages, set me free  
yeah yeah yeah yeah

Consume the night  
jerk me, jerk me up  
Consume the night  
jerk me, jerk me
