

New Young Radicals, You Get What You Give

Wake up kids
We've got the dreamers disease
Age 14 we got you down on your knees
So polite, you're busy still saying please
Fri-enemies, who when you're down ain't your friend
Every night we smash their Mercedes-Benz
First we run and then we laugh till we cry

But when the night is falling
and you cannot find the light, light
If you feel your dreams are dying
Hold tight

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget we only get what we give
Give it to me now!

Four a.m. we ran a miracle mile
were flat broke but hey we do it in style
The bad rich
God's flying in for your trial

(chorus)

This whole damn world can fall apart
You'll be ok, follow your heart
You're in harms way
I'm right behind
Now say youre mine

(chorus)

Fly high
What's real can't die
You only get what you give
Just dont be afraid to live
Health insurance rip off lying
FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion shoots with Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes
Run to your mansions
Come on
We'll kick your asses!
Don't let go
One dance left
