

Newsboys, Devotion

all my world
all I've lost
the wrecks I've made here
the lives it cost
Your hand restores
Your works make whole
with all my soul
I thank You
I owe You
all my:

devotion
all that I have to give
here's my devotion
You're all that it means to live

all my past
my tainted main
You stole its legacy
of pride and shame
You're all I love
You're all I fear
I'm drawing near
to face You
to know You
to show You:

devotion
all that I have to give
here's my devotion
You're all that it means to live

You found me
in a shallow grave
You tracked me out from beneath it all
You healed me
saved me
in the nick of time
Your perfect time
You found me (found me)
in a shallow grave (in a shallow grave)
You called me out from beneath it all
You touched me (touched me)
saved me (saved me)
in the nick of time
in Your perfect time

I devote all I have to You
I devote all that You've made new
all You restored that day You bled
all that You brought back from the dead
all:

devotion (You're all...)
You're all that I have to give
You're all that it means to live
here's my devotion, my devotion
all that it means to live (You're all that means to live)

my Lord
my devotion
