

Newsboys, Kingdom Man

Step by step
Day by day
You have changed my world
I am a Kingdom man

I heard the birds a singing
Saw the flowers
in the field
Thy heart was all on fire
With that moment I did yield
I shout it form the rooftop
Shout it from the hills
I'm now a new creation
I have found my way

Step by step
Day by day
You have changed my world
I am a Kingdom man

Jesus lifted me out of the miry day
He stood me on a rack
And that's where I will stay
Ma name is down in heaven
No man can take it out
The Word of God is true
It casts out all the doubt
