

# Newsboys, Precious Love

Like a moth drawn to the flame  
I am drawn to the mighty name of Jesus  
Like a deer that pants for water  
My heart cries out to You to fill my life with all of You

Bridge  
It's You I want to strengthen me  
For all the days of my life

Chorus  
How could I have ever lived without Your precious love  
How could I expect to carry on  
You give love that soothes fire that burns within my soul  
And You will always send it 'round my way

Through a shadow will pass away  
Your love for me will stand the test of time  
When You fill me with Your water  
My hands reach out to You to touch my life with all of You

Bridge  
It's You I want to strengthen me  
For all the days of my life

- Chorus -

Lord, I pledge the highest  
The highest that can be from a heart

Bridge  
It's You I want to strengthen me  
For all the days of my life

- Chorus -
