

# Newsboys, Taste And See

Chorus

Taste and see that the Lord is good  
Taste and see He's so good for you  
For the light will bring to all  
A harvest good and plenty  
But for those who don't believe it  
Their life will still be empty

Chorus

Don't let yourself be taken  
By the foolish words of men  
They say that God is tasteless  
But they've never tasted Him

Chorus
