

# Newsong, Emmaus Love

Their hearts burned within them as they walked  
And as they talked about  
All the things they had seen  
So many questions on their mind  
But their eyes were blind  
To what His death would mean

Who is this Man who walks with them  
And explains the mysteries  
Could it be that He's the risen One  
Come to set them free

(Chorus)  
My Emmaus Love everyday He walks with me  
Emmaus love everyday He talks with me  
Emmaus love He's always there for me  
My Emmaus love

He's the light that helps me find my way  
Every step I take  
He knows my every need  
I hear His voice speaking to my heart  
The very deepest part  
Saying follow where I lead

Who is this Man who walks with me  
And explains the mysteries  
I know that He's the risen One  
Come to set me free

(Bridge)  
So many roads and choices to make  
So many answers to find  
I can't imagine living one day  
With out You in my life
