

# Newsong, When God Made You

When God Made You (Duet with Natalie Grant) - Eddie Carswell, Michael O'Brien

It's always been a mystery to me  
How two hearts can come together  
And love can last forever  
But now that I have found you, I believe  
That a miracle has come  
When God sends the perfect one  
Now gone are all my questions about why  
And I've never been so sure of anything in my life

Chorus: I wonder what God was thinking  
When He created you  
I wonder if He knew everything I would need  
Because He made all my dreams come true  
When God made you  
He must have been thinking about me

I promise that wherever you may go  
Wherever life may lead you  
With all my heart I'll be there too  
From this moment on I want you to know  
I'll let nothing come between us  
And I will love the ones you love

Bridge: He made the sun He made the moon  
To harmonize in perfect tune  
One Can't move without the other  
They just have to be together  
And that is why I know it's true  
You're for me and I'm for you  
'Cause my world just Can't be right  
Without you in my life

Tag chorus:

He must have heard every prayer I've been praying  
Yes He knew everything I would need  
When God made you  
When dreams come true  
When God made you  
He must have been thinking about me
