

Newsong, When God Made You

When God Made You (Duet with Natalie Grant) - Eddie Carswell, Michael O'Brien

It's always been a mystery to me
How two hearts can come together
And love can last forever
But now that I have found you, I believe
That a miracle has come
When God sends the perfect one
Now gone are all my questions about why
And I've never been so sure of anything in my life

Chorus: I wonder what God was thinking
When He created you
I wonder if He knew everything I would need
Because He made all my dreams come true
When God made you
He must have been thinking about me

I promise that wherever you may go
Wherever life may lead you
With all my heart I'll be there too
From this moment on I want you to know
I'll let nothing come between us
And I will love the ones you love

Bridge: He made the sun He made the moon
To harmonize in perfect tune
One Can't move without the other
They just have to be together
And that is why I know it's true
You're for me and I'm for you
'Cause my world just Can't be right
Without you in my life

Tag chorus:

He must have heard every prayer I've been praying
Yes He knew everything I would need
When God made you
When dreams come true
When God made you
He must have been thinking about me
