Next, Experience

Rockabye baby and it don't stop when the shirts fall the pants will drop down will come boxers panties and all it's on it's on

You huh this is R.L. what we tryin to do right now is figure out who the freak of the industry is and we feel like next got the flex but Adina we gotta take the reins you know what im sayin so what we about to do is put it all on the line you get yorus and imma get mine you Next, Adina sup

1- You cant handle
what im bout to give you a next experience
(ah go head daddy)
(im all about it but Adina Howard can sleep)
I just wanna touch and clutch and feel you put some whip appeal in it
(go head daddy)
(go head mommy)

Boy peep this freak in me testin out this feather weight who cant handle this heavy weight some talkin ill just perpetrate i got what you need come and get a load of me i'll make it hurt like baby birth when its on girl i put it work even when im gone we can flex you can call collect we can have phone sex 'cause ('cause what) You can't handle it No no no

repeat 1

Between my thuggin im butta lovin

hips bumpin lips like she just finished lickin somethin she say ya take a beat just to peep a freak stuntin bowl mammas doin tricks like the globetrotters politickin while i blow scamas uh huh im rippin rappin dough dotters givin strow rhythm 'cause his flow propper and like it ruff like some more vodka know she feeaked out but cant knock herand i can be a freak until the day until the dawn baby dont front when its time to bring the bomb i'll make you feel it in your tummy word is bond ill have ya walkin funny Talk is cheap just give me a beep we can peep boy youll get freaked Tell ya what baby beep lets come next week

ill make ya reach your peak yeah

repeat 1 repeat 1

Nasty my type like it since its adina you i might bite it mad excited pop the G to peep inside it let and divide it dont play the road way so watch rat while we foreplay and pour more alezae now your neck make ya crack let could sweat all day stuff the garcia with dar tree the guard see while our postions harshly i throw it in you to the end boo knees to chest and next is next to flex

repeat 1 until fade
