

# Next, Feels Good

Feels Good...(Oooh)  
Oh So Good...(Oooh)

Im in the E five-O-O  
Goin out  
One-0-0 listenin to the radio  
Turnin up my stereo  
I'm...  
Bobbin to the beats  
Headed to the beach  
Calhoun  
Ill be there soon with all my friends  
Barbeque with Heinekens  
Dont it feel good...

(Chorus)  
Feels Good...  
To feel the sunshine  
Being with loved ones  
Havin a good time  
Feels Good...  
To be in love  
Havin someone that you can trust  
Feels So good...  
Spendin time wit yo kids  
Showin em what feelin good is  
And it feels good...  
Just livin your life  
Knowin everything is gonna be alright

Rollin, Jordan's  
Them Twenty-three's  
Top down, Hangin out  
Gotta feel the breeze  
Leanin back in my fresh throwback  
Air Force Ones, don't you know that  
Just, shine on, that tape put in  
Lookin for an ATM, cause my papers thin  
At the bank for my peoples  
Cause I'm meetin them  
And it feels good...

(chorus)

Call all the ladies, I call my guys  
We can meet up and have a good time  
Break out the new kicks, shine the ride  
Cause we gonna roll tonight  
We got grapefruits, cooked food, liquor in the cooly,  
Dominos fool, no dice and spades  
C'mon ya'll, it's okay  
Don't it feel good...

((chorus) Repeat 2x)

Feels good...  
to roll the ride  
top down with a dime in the passenger side  
Feels Good...  
To see haters eyes grillin me  
Mad cause im wit you, damn why you killin me  
Feels Good...  
To turn my stereo up  
With the beat bump bump

We just lay in the cut  
And it feels good...  
To know my family's okay  
So tomorrow I can say...

(chorus)

Don't you feel good...
