

Next, I still love you

I still love you babe (and Im never gonna change baby)

Im still for you girl

Ill never leave you baby

nahhhhhh

Cuz I realize I need you in my life

Girl it just aint right

What was said last night

Cuz I know we didnt mean it

You feel the love is gone

Cuz we dont get along

But I can prove you wrong girl

I swearrrrrr

REFRAIN

Cuz everytime I close my eyes I see you

And how I wanna live my life is with you

There is no one

Youre all I need and all I want

The only one Ill ever love

CHORUS 2

I still love you babe (cuz without you theres no me)

Im still for you girl (even though we disagree)

Ill never leave you baby (Ill never leave you baby)

Cuz I realize I need you in my life

And this relationship has been alot of time

Now it would be wrong if everything was always fine

Girl I know weve had our shares of ups and downs

But it doesnt mean that we cant work this out

Oh Baby girl I carrrrrrrrrrre yeah(you know I do)

Cuz everytime I close my eyes I see you (i see you)

And how I wanna live my life is with you (ohhhhh)

There is no one (else)

Youre all I need and all I want

The only one Ill ever love

CHORUS

Girl I know I need you baby

Cuz everytime I close my eyes I see you (you know I see u girl)

And how I wanna live my life is with you (with you ohhhhhh u know I do)

There is no one else

Youre all I want and all I need

The only one Ill ever love

CHORUS (3 times and fades)
