but girl I done told ya,
I don't know If i could control myself
I would luv to just kiss ya and hold ya
Movies popcorn and soda
But imagine us all by ourselves

(bridge)
We'll be kissing
skin to skin wearing nutting
Who'd know were we'd end
But u can stay if you really wanna
Its okay

(chorus)
(Repeat 2ce)
Its okay, its alright

If you promise that you'd hold me tight
And I would like 4 u 2 luv me luv me

Baby I been thinking to myself
If I eva had u alone wat ide do to u wat ude do to me
Every thing inbetween
But wait I don't wanna hurt u
