

# Next, Welcome li Nextasy (Intro)

Yeah

We want our sensuous sonic sound

To send you to a stimulating and satisfying experience

A place that we call Nextasy

And I welcome you

Come on, come wit me

Ice with Pope Paul

I drink my smoke smoke

It's super models and your brand's on the low

Our G tease the po' where this car can go

Nothing is promo, our base get your dough

(We welcome you)

This is also for the ladies

(To Nextasy)

Get ready

A place where no gangs that bought you the range

Just nine inches in chains buys you funny things

You can cop that range, no instant pains

And men don't complain, they love you the same

(We welcome you)

Don't be afraid

(To Nextasy)

Let us sonically move you

You know this is Next

Divine male, 2-G

And we're giving you your personal invitation

(To Nextasy)

Let's go
