

NEXX, Bitch Switch

I know - Boy you think I'm hot
But I'm not for free
"You think you're macho"
Come on - Show me what cha got
Can you handle me?
"I - I don't think so"
Try to steal a kiss
Hey I won't put up with this
All you should know
Oh-Oh-Ooh
You better think it over
Keep your hands off
My Bitch Switch
Oh-Ooh
You better not blow it
Keep your pants on
'n' don't touch my Bitch Switch
Oh Boy - I know watcha want
Permission to land
"I'm flyin' solo"
You wish you could take me home
For a one-night-stand
"I - I don't think so"
Wanna grab my hips
Hey I'm at your fingertips
Still you should know
Oh-Oh-Ooh...
'Cause I have had enough, enough of you
I'll keep my thies wide shut
So dream on, dream on
Oh-Oh-Ooh
Hey you, whats that sound?
I know you wanna see her goin down
Oh yeah, shes so fresh
You want a little kiss?
Now listen to this:
Look but dont touch
This girl aint asking much
Show me youve got class
Or Ill kick your sorry as
Oh-Oh-Ooh
