

Niall Horan, So Long

[Verse 1]

Looking back through changes where we started from
Don't know about you but I knew it wasn't wrong
You know I kept a place for you in my mind
And I know you did the same 'cause you're just the kind'

[Chorus]

So if we knew all along
Then why did it take so long?
We've known it since we were young
So why did it take so long?
You know you make me feel loved
You make me feel like I'm home
So if we knew all along
Then why did it take so long?

[Verse 2]

Moving on, you and I started looking bright
Now we've got to make up for all the wasted time
You know I'd never let you just walk on by
From the day that I met you I knew you'd be mine

[Chorus]

So if we knew all along
Then why did it take so long?
We've known it since we were young
Why did it take so long?
You know you make me feel loved
Make me feel like I'm home
So if we knew all along
Why did it take so long?

[Bridge]

Just started, just started
I'm having trouble believing it's true
Just started, just started
Now we've got nothing to prove

[Chorus]

So if we knew all along
Then why did it take so long?
We've known it since we were young
So why did it take so long?
You know you make me feel loved
You make me feel like I'm home
So if we knew all along
Then why did it take so long?
Why did it take so long?
Why did it take so long?
Then why did it take so long?
Why did it take so long?
