

Niall Horan, Too Much to Ask

waiting here for someone
only yesterday we were on the run
you smile back at me and your face lit up the Sun
now I'm waiting here for someone

no love until you feel this rough
why's it only you I'm thinking of

my shadow is dancing
without you for the first time
my heart is hoping
you'll walk right in tonight
tell me there are things that you regret
cause if I'm being honest
I ain't over you yet

it's all I'm asking
is it too much to ask? /2x

someone pulled in outside
the lights come on and down the drive
I forget you're not here when I close me eyes
do you still think of me sometimes?

no love
watch the Sun come down
don't wanna feel fucked up without you, love

my shadow is dancing
without you for the first time
my heart is hoping
you'll walk right in tonight
tell me there are things that you regret
cause if I'm being honest
I ain't over you yet

it's all I'm asking
is it too much to ask? /2x
