

Nicholas Jonas, When You Look Me In The Eyes

Oh oh yeah
Woah oh oh yeah
If the heart is always searching
Can you ever find a home
I've been looking for that someone
I can't make it on my own
Dreams can't take the place in loving you
There's gotta be a million reasons why it's true

When you look me in the eyes
And tell me that you love me
Everything's alright
When you're right here by my side
When you look me in the eyes
I catch a glimpse of heaven
I find my paradise
When you look me in the eyes

How long will I be waiting
To become a better man
Gonna tell you that I love you
In the best way that I can
I can't take a day without you here
You're the light that makes my darkness disappear

When you look me in the eyes
And tell me that you love me
Everything's alright
When you're right here by my side
When you look me in the eyes
I catch a glimpse of heaven
I find my paradise
When you look me in the eyes

Everyday
I start to realize
I can reach my tomorrow
I can hold my head up high
And it's all because you're by my side

When you look me in the eyes
And tell me that you love me
Everything's alright
When you're right here by my side
When you look me in the eyes
I catch a glimpse of heaven
I find my paradise

When you look me in the eyes
And tell me that you love me
Everything's alright
When you're right here by my side
When you look me in the eyes
I catch a glimpse of heaven
I find my paradise
When you look me in the eyes
Oooh ohh
