

Nicholis Louw, Crying

I was all right for a while
I could smile for a while
Then I saw you last night
You held my hand so tight
When you stopped to say Hello
You wished me well
You couldnt tell

That I'd been crying over you
Crying over you
Then you said so long and
Left me standing all alone
Alone and crying
Crying, crying, crying
Its hard to understand
That the touch of your hand
Can start me crying

I thought that I was over you
But its true, so true
I love you even more
Than I did before
But darling what can I do
For you dont love me
And Ill always be

Crying over you
Crying over you
Yes, now youre gone
And from this moment on
Ill be crying
Crying, crying, crying
Crying
Crying, over you
