

Nicholis Louw, Trying To Break My Heart

Can't control the way she makes me breathe
I can't believe the things she makes me feel
Sometimes she's such a lady
But sometimes she gets so crazy

She keeps trying to break my heart
She keeps trying to break my heart
Keeps on trying to break my heart heart heart

Stupid the way I let her mess with me
But that's just her way of showing how she feels
Sometimes she's such a lady
But sometimes she's so damn crazy

Ooh you're such a tease babe
Oh how I love it
I'm on my knees babe
How I love it love it
