chasin baller skirts i ain't got to search baby doll you're  
first see you got this touch that revolve to earth i know you  
sweat when i'm out on tour i was max and maturable and adorable  
for alot of balls to step from my hotel door couldn't even

yo every man needs a rider beside her my rider to is clinon was  
to pick em up off the bottom whatever he need she got em  
and vise versa even though his style might hurt her a phone call  
is a phone call to a fella but to women it falls under the  
same umbrella it's trust plus honesty respect gotta juggle em all  
try not to neglect cuz if something go wrong it be hard to  
correct they forgive but never forget no matter how many  
diamonds you sit on they neck you look at invisible set they be  
they be invisible next that's why i hold my home team down no  
matter how much of this world i'm going around i'm gonna treat  
you da right way it always feel good when you say...

(Chorus (Mary J. Blige))

Whenever you need me babe just call my name no matter whatever  
you done you know that i'll be there i'm down for you  
whatever you're goin through whenever you need me babe you know  
that i'll be there

(Verse 3)

now as soon as the media get a hold of the vocal they gonna try  
figure the motive the reason i wrote who da girl on my arm  
at the movie premiere who da one in the drop with the wind in  
her hair popparatzzz  
watch but to see pops don't like me and thats wherever i might  
be so i need a girl to stand and to understand and stand  
next to cannon cuz i got a plan and i ain't tryin put no weight  
on ya girl but it's hard to have alove affair in front of  
the world everytime you move every step you make bein watched  
possibly videotaped that's why i need a place where i can  
escape from and another soul and wich my soul can relate and i  
probably make a lot of mistakes but i still need to hear  
somebody say...

(Chorus (Mary J. Blige))

Whenever you need me babe just call my name no matter whatever  
you done you know that i'll be there i'm down for you  
whatever you're goin through whenever you need me babe you know  
that i'll be there

Whenever you need me babe just call my name no matter whatever

you done you know that i'll be there i'm down for you  
whatever you're goin through whenever you need me babe you know  
that i'll be there

Whenever you need me babe just call my name no matter whatever  
you done you know that i'll be there i'm down for you  
whatever you're goin through whenever you need me babe you know  
that i'll be there
