

Nick Carter, I Need You Tonight Live

Open up your heart to me
And say what's on your mind
I know that we have been through so much pain
But I still need you in my life this time

And I need you tonight
I need you right now
I know deep within my heart
It doesn't matter if it's wrong or right
Cause I see heaven in your eyes

I figured out what to say to you
But some times the words come out so wrong
And I know in time that you will understand
That what we have is so right this time

And I need you tonight
I need you right now
I know deep within my heart
It doesn't matter if it's wrong or right

And all those endless times we've tried to make it
Last forever more and baby i know

I need you
I know deep within my heart
It doesn't matter if it's wrong or right
Cause I see heaven

I need you tonight
I need you right now
I know deep within my heart
It doesn't matter if it's wrong or right
Cause I see heaven...

In your eyes- ooo... Thank You.
