Nick Cave & The Bad Seeds, Give Us A Kiss

Childhood days in a simmer haze
Give us a kiss
In the blue you whisper into the music
And the feel underneath the foam bush
Give us a kiss
Hold me over, passing down
Pass the blood factory and the town
Come on, give us a kiss
One that will sip, sip, sip
Before you slip, slip, slip away

Yeah, I'm still hanging out in your blue tunes In your sizzling shoes in my dreams Give us a kiss One little sip, sip, sip Before I catch, catch, catch I'll find, I'll be a good girl And it burns Kiss

You want me to burn away You want me to burn away You want me to burn away If you want me to burn away
