

Nick Drake, Fly (Royal Tenenbaums Soundtrack)

Please give me second grace. Please give me second face.
I've fallen far down, first time around, now I just sit on the ground in your way.
Now if it's time to recompense for what's done,
come, come sit down on the fence in the sun.
And the clouds will roll by and we'll never deny- it's really too hard for to fly.
Please tell me your second rain. Please lend me your second name.
I've fallen so far, of the people you are, I just need your star for a day.
So come, come ride in my street-car by the bay
for now I must know how fine you are in your way.
And the sea, she will sigh but she'll never deny, for it's really too hard for to fly.
