

Nick Drake, Free Ride

I know you
I care too
I see through
All of the pictures that you keep on the wall
All of the people that will come to the ball
But hear me calling
Won't you give me
A free ride.
I know too
What you do
When you're through
Counting the cattle as they go by the door
Keeping a carpet that's so thick on the floor
But hear me calling
Won't you give me
A free ride.
I know you
I care too
I see through
All of the pictures that you keep on the wall
All of the pictures that you keep on the wall
But hear me calling
Won't you give me
A free ride.
