

# Nick Gilder, Roxy Roller

Foxy from the Roxy  
Might turn some heads tonight  
Flashlight dream  
Peaches and cream delight  
Roxy Roller

Five-bob job  
She gets bubble-gum on her knees  
Down between the seats  
Sometime she'll pass you the keys  
Roxy Roller  
Oooh Roxy Roller

Roxy Roller, Roxy

Her daddy, le commissioner  
Took far more than his share  
So Roxy joined the syndicate  
Knowing it wasn't fair
