

# Nick Heyward, Whistle Down The Wind

Out the window  
Look what's happening  
In my prism  
watching day by (day by day)

In my humour (ha)  
Kiss and make up friend  
Out the window  
Look what's happening

Give my time away  
Give me all the time I pay  
Kiss my cross away  
I break down doors my candle whistles

Hello Hello hope you're feeling fine  
Hello hello hope you're feeling mine  
Hello hello hope you're feeling fine  
hope you're feeling time

Out the window  
Bring me back my rose I gave away  
In a picture  
A freckle and a famous feature  
She's not smiling

Give my time away  
Give me all the love you need  
I want to watch you bloom and breathe  
Kiss my mouth I hear you whistle

Hello Hello hope you're feeling fine  
Hello hello hope you're feeling mine  
Hello hello hope you're feeling fine  
hope you're feeling time

Whistle down the wind (whistle softly)
