Nick Jonas, Jealous

I don't like the way he's looking at you, I'm starting to think you want him too. Am I crazy, ?Have I lost ya. Even though I know you love me, Can't help it.

I turn my cheek, music up, And I'm puffing my chest. I'm getting ready in the face, You can call me obsessed.

It's not your fault that they hover, I mean no disrespect. It's my right to be hellish, I still get jealous.

Cause you're too sexy, beautiful, And everybody wants a taste. That's why (that's why) I still get jealous.

I wish you didn't have to post it all, I wish you'd save a little bit just for me. Protective or possessive (yeah), Call it passive or aggressive.
