

# Nick Jonas, Remember I Told You (ft. Anne-Marie)

Remember i told you  
I need you  
All of the words that I'm saying  
Are just a fancy way of saying I care  
I don't suppose you have a moment to spare me  
Do you? /2x  
I've been looking for loving  
All the wrong place  
You too? /2x  
I don't like the way you went and told me oh well  
I have the suspicion you're not being yourself  
I don't suppose you have a moment to spare me  
Do you? /2x  
Remember I told you  
I need you  
Remember the spotlight was there  
All of the words that I;m saying  
Are just a fancy way of saying I care
