

Nick Jonas, Robin Schulz, Right Now

you are my water, my sun, my moon and stars
your heart is all I need
It start when you come
I want to be where you are
where you are

every time you go away
you're always tryna fight
how bad I want you, bad I want you
I could try to fill the space with someone else tonight
but I don't want to /3x

right now, you know I miss your body
so I won't kiss nobody until you come back home
and I swear, the next time that I hold you
I won't let you go nowhere
you'll never be alone
I'll never let you go

you lead, oi follow, no sleep
that's what you said /4x
and you should know
you leave I'm hollow
I need you in my bad /2x
you in my bed
I need you in my bad

every time you go away
you're always tryna fight
how bad I want you, bad I want you
I could try to fill the space with someone else tonight
but I don't want to /3x

right now, you know I miss your body
so I won't kiss nobody until you come back home
and I swear, the next time that I hold you
I won't let you go nowhere
you'll never be alone
I'll never let you go

I'll never let you go
no, no no

right now, you know I miss your body
so I won't kiss nobody until you come back home
and I swear, the next time that I hold you
I won't let you go nowhere
you'll never be alone
I'll never let you go

right now, you know I miss your body
so I won't kiss nobody until you come back home
and I swear, the next time that I hold you
I won't let you go nowhere
you'll never be alone
I'll never let you go
