

# Nick Jonas, Spaceman

Houston think we got some problems  
Find somebody who can solve 'em  
I feel like a spaceman  
I feel like a spaceman  
TV tells me what to think  
Bad news maybe i should drink  
Cause i feel liek a spaceman  
I feel like a spaceman

And i am talking to you  
But it never feels like it comes through  
Out on my won  
I am a spaceman,  
Yeah, I am a spaceman  
From the dark side of the moon  
I know that it's sad but it's true  
I am tryna get home  
I am a spaceman,  
Yeah, I am a spaceman  
Out on my own

Mask off minute i get home  
All safe now that i am alone  
Almost liek a spaceman  
I feel like spaceman  
Keep thinking that we're close  
No drugs, still overdose  
I am in outer space, man  
I feel like a spaceman

And i am talking to you  
But it never feels like it comes through  
Out on my won  
I am a spaceman,  
Yeah, I am a spaceman  
From the dark side of the moon  
I know that it's sad but it's true  
I am tryna get home  
I am a spaceman,  
Yeah, I am a spaceman  
Out on my own

Hard Times make you love the view  
Right now  
Think i am getting through  
Only way that i can  
But i feel lika a spaceman

And i am talking to you  
But it never feels like it comes through  
Out on my won  
I am a spaceman,  
Yeah, I am a spaceman  
From the dark side of the moon  
I know that it's sad but it's true  
I am tryna get home  
I am a spaceman,  
Yeah, I am a spaceman  
Out on my own

Don't wanna be alone  
Don't wanna be  
Don't wanna be out on my own
