

# Nick Jonas, This Is Heaven

At the gate coming side  
And know that it's late  
But i am here because  
Your body my motivation  
let's keeping talk

What if we found a way to get close  
Without fears  
Keep in mind we're escaping

If you told me that my face  
was on your fingertips  
i Wouldn't believe it  
i Wouldn't believe it

every kiss with you is like a  
prayers falls from my lips  
now i am believeer  
i am believer

this is heaven  
and i don't know how  
this could get much better  
you and me here right now  
this is heaven  
and every time  
i touch you it gets better  
i am on my knees  
i can't stop now  
this is heaven  
this is heaven  
this is

sunlight another long hingt  
nothing will i don't think  
you're receiver of my attention  
i know nothing is perfect but  
this is close  
don't go  
keep coming in my direction

If you told me that my face  
was on your fingertips  
i Wouldn't believe it  
i Wouldn't believe it

every kiss with you is like a  
prayers falls from my lips  
now i am believeer  
i am believer

this is heaven  
and i don't know how  
this could get much better  
you and me here right now  
this is heaven  
and every time  
i touch you it gets better  
i am on my knees  
i can't stop now  
this is heaven  
this is heaven  
this is

i am believer

this is heaven  
and i don't know how  
this could get much better  
you and me here right now  
this is heaven  
and every time  
i touch you it gets better
