

# Nick Kamarera & Alinka, Get A Life (Mama Yette)

I swear I wanna be with you tonight  
You gotta show me what is wrong or right  
Because I never felt this way before  
I wanna feel you now, in my life in my life  
Get a life, get a life, get a life  
Why don?t you take my life, take my life, take my life  
You have to get a life, get a life, get a life  
Why don?t you take my life, take my life, take my life
