

# Nick Kamen, I Promise Myself

I promised myself  
I promised I'd wait for you  
The midnight hour  
I know you'll shine on through  
I promised myself  
I promised the world to you  
I gave you flowers  
You made my dreams come true  
How many of us out there  
Feel the need to run  
and look for shelter  
I promised myself  
That I'd say a prayer for you  
A brand new tomorrow  
Where all you wish comes true  
I promised myself  
That I'd make it up to you  
My sister and brother  
Know I'm in love with you  
How many of us out there  
Feel the pain of losing  
what was once there  
God I know what people  
say about her  
No mistake who can live  
without love  
I promised myself

spoken: i promised myself, i'd wait for you

How many of us out there  
Feel the pain of losing  
what was once there  
God I know what people  
say about her  
No mistake who can live  
without love

I promised myself

I promised I'd wait for you  
The midnight hour  
I know you'll shine on through  
I promised myself  
I promised the world to you  
I gave you flowers  
You made my dreams come true

In the midnight hour  
I will wait for you  
I will wait for you  
I will wait for you

In the midnight hour  
I will wait for you  
I will wait for you  
I will wait for you

I promised myself
