

Nick Mason, Do Ya

I try
God knows I try
It seems very clear to me, that I try
But it's not clear to you, that I do
You don't know what I mean, do ya?
You don't know what I mean
I mean
I mean I try
God knows that I mean to try
I mean it seems so very clear to me, that I'm trying
But it's not clear to you, what I'm trying to do
You don't know what I mean, do ya?
You don't know what I mean
You're not trying
God knows you probably mean to try
I mean sometimes it even seems clear to me
I mean sometimes it even seems clear to me that you're trying to try
Is that clear? Do you know what I mean, what I'm trying to say
You don't know what I mean, do ya?
TYou don't know what I mean
You're not trying
God knows you probably mean to try
I mean sometimes it even seems clear to me
I mean sometimes it even seems clear to me that you're trying to try
Is that clear? Do you know what I mean, what I'm trying to say
You don't know what I mean, do ya?
TYou don't know what I mean
