

Nick Murphy, Sanity

it's been a long
since he's know
try to live on my own
with a certain ...
oh, that I question ...

I didn't know much better
couldn't see ..
to my own

that I follow
that I follow

..
to tell you the truth!
...

the places i;ve been

my sanity
comes to question
but i need someone
who.. my attention thos life
honey, ...
could you give me
to change this place
before you go into my bed
