Nick Murphy, Sanity

it's been a long since he's know try to live on my own with a certain ... oh, that I question ...

I didn't know much better couldn't see .. to my own

that I follow that I follow

.. to tell you the truth!

the places i;ve been

my sanity comes to question but i need someone who.. my attention thos life honey, ... could you give me to change this place before you go into my bed
