

Nickasaur, Blue eyed brunette

Ref.: Oh hello.

Whats your name?

Where you wanna go?

Dont be ashamed.

Open up,

Like a door empty rooms to explore.

Hit the lights, just night, for notcomnais its too bright.

So make it quick, candle lit.

Its the way you move.

Snap your fingers, move your legs, and shake your hips

You amaze me, you blue eyed brunette baby

She wore leotards and leggings and a mask for persuading anyone who gets in her way.

Cause Im speculating that your speculating that youd like a game of soul chasing, ready or not Im

I hope you discover a moment thats opportune, by the way I move.

She like to sit back, relax, while she lays on the beach; and drink those drinks with umbrellas as sh

Didnt think shed have the guts to come up to me.

She turned around then one step, two.

I heard the sound , I know she wanted to.

Then her eyes locked on mine

You surprised me, you said:
