

Nickel Creek, Best Of Luck

(Chorus)
Don't Touch
Don't Look
Don't Think
Best of Luck

She tried as hard as she could
But he knew it wasn't good enough
And wouldn't ever be
So she had to start
Hiding how she felt
But she loved him
He knew it and if his hands weren't tied
He would really liked to help her

Don't Touch
Best of Luck

He's still shaking it off
Buys flowers for his wife
Guilty he couldn't even think of life without her
Gets home lookin' like he's seen a ghost
She's ready for the worst
But when he tells her
She breaks down crying
I'm so sorry

Don't Touch
Don't Look
Don't Think
Best of Luck
(repeat)

we didn't want our love to end in high school
In college I called everyday till the day I met you
a year ago we got in touch
I asked you to forgive me
it should've ended there but i forgot i wasn't eighteen
Chorus

She'll try as hard as she can
But he'll know it isn't good enough
And won't ever be
So she'll have to start hiding
How she feels but she loves him
And he knows it still
His hands are tied
Even if he wants to help her

Chorus
