

# Nickelback, Dirty Laundry

When they're up  
When they're down  
When they're up  
All around

I make my living off the evening news  
Just give me something, something I can use  
People love it when you lose  
They love dirty laundry

Well, I could've been an actor, but I wound up here  
I just have to look good;  
I don't have to be clear  
Come and whisper in my ear  
Give us dirty laundry

When they're up  
When they're down  
When they're up  
All around

We got the bubble-headed bleached-blonde  
Comes on at five  
She can tell you 'bout the plane crash with a gleam in her eye  
It's interesting when people die  
Give us dirty laundry

Can we film the operation?  
Is the head dead yet?  
And all the boys in the newsroom  
Got a running bet  
Get the widow on the set  
We need dirty laundry

When they're up  
When they're down  
When they're up  
All around

Dirty little secrets  
Dirty little lies  
We got our dirty little fingers in everybody's pies  
We love to cut you down to size  
We love dirty laundry  
We can do the innuendo  
We can dance and sing  
When it's said and done, we haven't told you a thing  
We all know that crap is king  
Give us dirty laundry

When they're up  
When they're down  
When they're up  
All around
