Nickelback, Just for

I want to take his eyes out Just for looking at you Yes I do I want to take his hands off Just for touching you Yes I do And I want to rip his heart out Just for hurting you And I want to break his mind down Yes I do And I want to make him Regret life since the day he met you Yes I do And I want to make him Take back all that he took from you And I want to rip his heart out Just for hurting you And I want to break his mind down Yes I do
