

Nickelback, Tidal Wave

Utwór 'Tidal Wave' z albumu 'Get Rollin' Nickelback (premiera 18.11.2022r.)

Loving you is just like surfing on a tidal wave

Driftin' through the night, inhibition slips away
Shifting with the tide, hiding from the light of day
Letting go, take control over me
Undertow, getting pulled underneath

(Loving you)

Loving you is just like surfing on a tidal wave
Lost in one another, hopin' never to be found (Loving you)
Loving you is just like surfing on a tidal wave
Rollin' 'round forever 'til we both come crashin' down (Loving you)
Loving you is just like surfing on a tidal wave
Coming up for air, I swear, we're just about to drown (Loving you)
Loving you is just like surfing on a tidal wave

Heavy on my mind, levee's breaking currently
Never thought that I'd find myself so lost at sea
Letting go, take control over me
Undertow, getting pulled underneath

(Loving you)

Loving you is just like surfing on a tidal wave
Lost in one another, hopin' never to be found (Loving you)
Loving you is just like surfing on a tidal wave
Rollin' 'round forever 'til we both come crashin' down (Loving you)
Loving you is just like surfing on a tidal wave
Coming up for air, I swear, we're just about to drown (Loving you)
Loving you is just like surfing on a tidal wave
Lost in one another, hopin' never to be found (Loving you)
Loving you is just like surfing on a tidal wave
Rollin' 'round forever 'til we both come crashin' down (Loving you)
Loving you is just like surfing on a tidal wave
Coming up for air, I swear, we're just about to drown (Loving you)
