

# Nickelback, Where Do I Hide

Got a criminal record, I can't cross state lines  
First on the bad list, and you're last on mine  
Lookin for a scapegoat, long past due  
Walking down the aisle, staring straight at you

I still hear him screaming "where do I hide?"  
And he asks and I say "hurry inside"

He said, she said, No she don't  
Be back before morning, You know she won't  
I remember that summer, like yesterday  
And I remember his mother, As he was dragged away

I still hear him screaming "where do I hide?"  
And he asks and I say "hurry inside"  
A whole lot of memories  
Yours and not mine  
And he asks and I say "hurry inside"

Got a criminal record, I can't cross state lines  
First on the bad list, and you're last on mine  
Lookin for a scapegoat, long past due  
Walking down the aisle, staring straight at you

I still hear him screaming "where do I hide?"  
And he asks and I say "hurry inside"  
A whole lot of memories  
Yours and not mine  
And he asks and I say "hurry inside"
