

Nicki French, Stop, In The Name Of Love

Baby baby i'm aware of where you go
Each time you leave my door
I watch you walk down the street
Knowing your other love you'll meet
But this time before you run to her
Leaving me all alone and hurt

Think it over (haven't i been good to you?)
Think it over (haven't i been sweet to you?)

Stop in the name of love
Before you break my heart
Stop in the name of love
Before you break my heart
Think it over
Think it over

I known of your, your secluded nights
I've even seen her maybe once or twice
But is her sweet expression
Worth more then my love and affection?
But this time before you leave my arms
And rush off to her charm

Think it over (haven't i been good to you?)
Think it over (haven't i been sweet to you?)

Stop in the name of love
Before you break my heart
Stop in the name of love
Before you break my heart
Think it over
Think it over

I've tried so hard, hard to be patient
Hoping you would stop this infatuation
But each time you are together
I'm so afraid of losing you forever
But this time before you run to her
Leaving me all alone and hurt

Think it over (haven't i been good to you?)
Think it over (haven't i been sweet to you?)

Stop in the name of love
Before you break my heart
Stop in the name of love
Before you break my heart
Think it over
Think it over
