Nicki Minaj, Barbie Tingz

uh, i'm in my prime, Optimus Sagittarius, so you know I'm an optimist man, keep it all real I'm a propheress so at least you took an L off your backet list it's time to make hits and it's time to diss how you still dussun' still can't find sime hits? was it worth it, dummy? I ain't mind a bit still on that show getting' no chips, time to dip

i.i.i.i.

i.m still fly just bagged a white guy Ritchie like Guy and I still eat Thai want the Nick cheat code? come on bitch, nice try let's be real all you bitches wanna like me Wanna run up in the lab and cook like me but ain't nan you hoes pussy good like me pussy so good his ex wanna still fight me face so pretty bitches whis they could slice me she just mad 'cause he never bought her ice like me I cut all my nigga off but they would still wife me

Rap bitches tell they team Make them like Barbie had to come off IG so they can't stalk me all they do is copy looks, steal music too want to see bitches, do when they lose the blue-print I mean the pinkprint, ho, let it sink in I spoke to jay the other day, he's still the kingpin He's still only nigga that I woulda signed to
