

# Nicki Minaj, Can Anybody Hear Me

You (you), I would (Davaughn on the beat) lean on me you baby you baby

[Nicki Minaj:]

I Push it I Push it Like I'm In Labour

And He'll Teach Me To Love My Neighbour, Just What Way of Processin All tha data-  
Processin all tha data; Processin all tha Hataz.

You Was writin disses I waz takin pictures, Sign autographs for ALL of My Bad Bitches

And in tha Nick of time it just dawned on me; I Am Nicki Minaj and it's all on me.

But Hey, maybe I'll neva win, maybe I'm settlin, can't let the devil in I'm A comic book heroin.

But when the wind blows I'm So Marilyn [echo:] I'm So Marilyn

Yo!, Write it down, take a pictcha bitches e-mail dat

I came to save a thing called female rap.

But I hope My Ninja Powers don't fuck around and offend you cowards.

You Mad at me cause you think I got it easy, If we was in the 2nd grade then you would tease me;

You See you just a lil snoty-nosed hood rat. "I love Nicki" scribbled all over ya book bag

I Love You Too. I just wished ya mother woulda hugged you too.

You Know Nicki Love Tha Kids. Yellow Brick Road Lukkin For Da Wizz.

When it Rains it Pours For Real; Def Jam Said I'm No Lauryn Hill;

Can't Rap and Sing on the same CD. The Public won't get it they gat ADD.

See Nicki. Follow tha rules, Go and Say your Prayers and get ready for school.

{Yeah Follow the Rules, Let Me Say My Prayers and Be Ready For School}

Dear God:

I Am only what you made me. And I appriceate everything that you gave me.

But Like; I don wanna do it no more, sorta lost sight in what I'm Doin it for

Thought that I waz doin somethin good for tha game.

Till They all started throwin dirt on my name

Tell Debbie I REALLY REALLY tried and that I said I'm Sorry but I Have to say good-bye.

Tell Fendi I'll Neva Faget him. And Please Tell Wayne I'll Always be in debted.

{I'll Neva Faget him. And Please Tell Wayne I'll Always be in debted}

[Chorus:]

Ayyyy!... Can anybody hear me?...

AYYYY!... Can anybody hear me?...

AYYYY!... Can anybody hear me?...

AYYYY!... Can anybody hear me?...

[song fades]
