

Nicki Minaj, Chun-Li

Ayo, look like I'm going for a swim
dunk on them now I'm swinging off the rim
bitch ain't coming off the bench
while I'm coming off the court fully drenched

here get dome haterade get ya thirsty quenched
styled on them in this Burberry trench
these bids copy every word, every inch
but gang gan got the hammer and the wrench
I pull up in that quarter mili off the lot

oh now she tryna be friends like I forgot
show off my diamonds like I'm sighed by the rock
Ain't pushing nanas tell her bite a rock

ayo, I been on
bitch you been conned
?

Friendly prints on

he keep on dialing Nicki like the prints on
Ayo, I been on
bitch you been connected

tints on
Friendly prints on
I bean I been

Plates say Chun-Li, drop the Benz off
