Who the fuck is this? I think I might know his bitch  
Ice on his wrist, pullin' up in the six  
Talkin' 'bout he packin' like a flight for a trip  
Said he don't drink but he might take a sip  
Be on point when you come through to see me  
He know all these other bitches really wanna be me  
I know how to make a nigga dick get creamy  
Pussy dreamy, ayo  
One, two, check, one, it's one, two  
I get it done too, forty inch, my front too  
I get a three, four, yep, yep, I'm 'bout to ride him like a seesaw  
Is that C. Dior?  
Do you see? Is she done, leavin' here when you pullin' in a V.?  
Is she gon' bust it open, or all is 'bout to see?  
K-I-S-S-I-N-G while you are in a tree  
Rude boy, in that pris

Welcome to the show, yeah, this the rodeo  
The bull I ride is not mechanical  
Peak under my dress, Marilyn Monroe  
I got a cowboy, the boy is gung ho  
Better than me? Oh, no, not one ho  
Big buckle on, his cowboy hat low  
Nigga said he pack and I said pack more  
Copcats crunchy like an apple  
Excuse me, what I gotta do to show these bitches they amuse me?  
Prada down in Italy, that is what my shoes be  
I'ma keep it real with you, so please, do not accuse me  
If you can't do it three times a night, you're gonna lose me  
Yo, babe, pass me the two-piece  
The colorful one must be the poochie, ussy  
I knew the tipsy while I'm juicy  
Spark shades, sip C., cock the Uzi
